

Narrative Based Learning

Dosbarth Calon

Areas of Learning & Experience

- Celebrate Chinese New year.
- Exploring our homes and our school, looking at photos and matching them to the relevant areas.
- Talking about who is in our family using photos from home.
- Daily weather chart.

Humanities

Mathematics & Numeracy

- Practice counting 1-20.
- Develop Touch Counting.
- Working on number recognition during our rhyme time sessions.
- Sorting and grouping objects and working on colour recognition.

Expressive Arts

- Experiment with mark making using different materials.
- Using the book 'the dot' for inspiration making our own marks and patterns.

Language & Communication

- Continuous use of PEC's, now and next boards and visual time-tables.
- Daily use of Makaton.
- Experiment with mark making using a variety of materials.
- Practicing letter formation through tracing and overwriting.
- Practicing letters and sounds with our sound of the week.

Science & Technology

- Stem activities tailored to engage and develop group attention through our daily bucket time sessions.

Health & Wellbeing

- Practice gross motor skills with our PE and Sensory circuits.
- Practicing body awareness and control within the classroom.

Wow - Experience to stimulate curiosity...

- Each week begins with an engaging sensory story to encourage interest and engagement from the children. Some of our stories this term include Jonty Gentoo, The day the crayons quit

Lifelong Learning: As a result of this inquiry, children will understand...
