

Our Planet, Our Future

Year 5

Summit– Performance of Understanding:
Showcase their understanding of climate change to
another year group.

Areas of Learning & Experience

- Climate Zones
- Aerial photographs
- Carbon footprint
- RVE: Harvest Festival

Humanities

Mathematics & Numeracy

- Place Value
- Adding and subtracting
- Weighing
- Data Handling
- Multiplication
- Problem Solving

- Art: Tone and shade
- Music: Rock School
- Drama: Rock School
- Dance: Rock School

Expressive Arts

Literacy Language & Communication

- Narrative
- Biography
- Newspaper article
- Non- Chronological report

- Science investigations
- Simple circuits
- Lemon batteries
- IT:-Multi media

Science & Technology

Health & Wellbeing

- Taking action –Carbon footprint
- Setting goals
- A small change can make a big impact in Climate Change

Wow –Experience to stimulate curiosity...
Animal Encounters endangered animals experience

Lifelong Learning: As a result of this inquiry, children will...
Recognise that a small change can have a big impact and everyone can play their part in sustaining our world
